

SEM CONSERVANTES

o salgadinho
que só contém
o que
é bom!

Os salgadinhos Carambitos, além de serem os preferidos do consumidor catariense desde 1989, são recheados com produtos de primeira. Trigo, milho e batata são os ingredientes deste mix que vai agradar a todos os gostos. E o melhor de tudo é que temos opções sem glúten e sem gordura trans. E o grande diferencial da marca: nenhum dos nossos produtos contém conservantes!
